

Martin Ince  
Brief CV

I am contributing editor of Times Higher Education and editor of the THE/QS World University Rankings.

I am a science journalist and author of nine books, most recently the Rough Guide to the Earth. I am treasurer of the Association of British Science Writers.

I am a media adviser, editor and writer working for UK government departments, universities, and European organisations including the European Commission, the European Space Agency and the European Science Foundation.

I have been director of communications for the Economic and Social Research Council and the Arts and Humanities Research Council, and am a frequent contractor to the Foresight directorate of the Department for Innovation, Universities and Skills.

With a colleague, Wendy Barnaby, I provide media training for research organisations, local government and others.
